

- Award winning Social Emotional Learning Programme for Primary Schools
- Highly practical visual curriculum with clear progression across all Primary stages
- Online training and ongoing implementation support included with all membership packages

*"Emotion Works is exactly what our children need to become more emotionally literate and resilient. The model just 'makes sense' and underpins the whole curriculum..."*

Class Teacher, Perth & Kinross Primary School

*...It's such a well thought out programme with resources that are easy to use, and the online support is so helpful."*
